## COUNSELLING SERVICES FOR ASYLUM PROCEDURES

Our Counselling Services for Asylum Procedures in detail

We offer advice, support, and accompaniment to refugees during their asylum procedure – with interpreter-assistance, if required.

- » We explain the asylum procedure, starting with your arrival, the application process, and the interview up to the final decision on your asylum application.
- » We help you to prepare for your asylum interview (2nd interview).
- » We advise you on the asylum procedure and all subsequent procedures in the different districts.
- » We explain the contents of letters and documents.
- » We advise you on the possibilities of taking legal action against a rejection of your asylum claim.
- » We refer you to lawyers.
- » We organise specialised assistance in cases of rape, trauma, pregnancy, etc. as well as for victims of violence and/or racist attacks, etc.
- » A female procedural counsellor is available, if required.
